

New Ross Food Bulk Buying Club

The New Ross Family Resource Centre wants to work with a group of families in New Ross to help them get a food buying club started! The idea is an informal group of families getting together to buy fruits and veggies in large amounts to save money, share food with each other, and buy seconds at a reduced cost. Call Katie at the New Ross Family Resource Centre at 902-689-2414 or e-mail katie.munro@dal.ca for more information.
